Good Morning,

Please find attached R8's release letter to Columbia Falls' bank which issued a letter of credit for the Anaconda Columbia Falls site. R8 is directing the bank to release a portion of the letter of credit due to Work completed thus far.

This letter is being routed for concurrence through TEP, LEP and management for Suzanne Bohan's signature. After you have had a chance to review the letter, can you please send me an e:mail stating your concurrence? We will then attach your e:mail to the letter.

Please let me know if you have any questions in this regard – thanks.
